Resp. to Off. Action of Mar. 18, 2009

UTILITY PATENT

B&D No. JK01243

REMARKS

Applicants would like to extend their sincere thanks to the Examiner for providing suggestions on how to avoid the claim objections.

Applicants have amended Claim 21. Currently in the above-identified application are Claims 21-25 and 35-41.

The Examiner has objected to Claims 21-25 because of informalities. In particular, the Examiner objected to Claim 21. In response, Applicants have amended this claim to remove the recitation "saw assembly" and incorporated the changes suggested by the Examiner. No new subject matter has been introduced.

No fee is due. Nevertheless, the Commissioner is authorized to charge payment of any fees due in processing this response, or credit any overpayment to Deposit Account No. 02-2548.

In view of the foregoing, all the claims are patentable and the application is believed to be in condition for formal allowance. Reconsideration of the application and allowance of Claims 21-25 and 35-41 are respectfully requested.

Respectfully submitted,
